CERTIFICATE

Our school is an institution under NESTS (National Education Society for Tribal Students), an autonomous body under the Ministry of Tribal Affairs, Government of India.

As a NESTS institution, we are committed to providing free education to all students, with a special focus on promoting educational opportunities for students from tribal communities.

The school does not charge any tuition, admission fees, or any other fees from students. Our school is dedicated to providing a supportive and inclusive learning environment that promotes academic excellence and holistic development.
